

An Evaluation of Michigan's Continuous Count Station (CCS) Distribution

OR15-187

Requisition #1852

November 10, 2015

Q: What is the page limit for this RFP? Nothing directly mentioned in the RFP and I found two sources stating different limits. One source stating general 20-page limit, and another source stating 3, 7, and 14 pages for Tier 1, 2, and 3. As this is a Tier 1 RFP is the page limit 20 or it is 3?

A: Proposals are limited to twenty (20) pages in length, excluding the cover page, table of contents, and appendices. File size and required form requirements are specifically addressed in the RFP on pages 2-4, as well on page 5 of the MDOT Consultant Vendor Selection Guidelines for Research Administration – Revised September 2015, located at this link:
